These 3 beautiful lacy dishcloth knitting Patterns feature in this collection are Fern Diamonds, Single Lace Rib and Little Arrow Head Patterns. All of these patterns have two things in common. One is that they all have 41 cast on stitches and they all have garter stitch borders. Knit them as dishcloth or washcloth for you and your love one. They would be great gifts for Mother's day! or Baby shower. My girls like to use them for barbies' blankets!
