

Pretty In Pink Scarf

Easy To Knit Scarf Pattern For Beginners

By Ratcha Chambers from www.to-knit-knitting-stitches.com

This easy scarf is suitable for beginner since it requires only knit and purl stitches. It consists of ribbing alternating with columns of garter st. I used Elite Classic Silk which contains 50% cotton, 30% silk and 20% nylon. The yarn is very light and lofty. It actually feels very soft like a baby yarn. I think this scarf is perfect for everyday use during Spring and Fall or even Summer because of the coolness of silk and the cotton. Give it a try and see what you think.

Gauge: 5 sts/inch over stockinette st on 4.5mm needle (US #7).

Gauge is not very important for this scarf. You can just use an appropriate needles suggested by chosen yarn or slightly bigger needle for a looser scarf.

Finished Measurement: About 58 - 59 inches x 4.25 -4.5 inches depending on how much I stretch it.

Materials

1. 2 balls (50g/135yds each) of Elite Classic Silk or yarn of your choice
2. A pair of straight or circular needle size US # 7 (4.5mm)
3. Tapestry needle to weave end yarns

Direction

CO 22 sts. Purl 6 rows.

Next row : Begin the pattern for garter rib sts below;

Row 1 (right side): Slip1 knitwise, k1, *p3,

k2; repeat from * to end of row.

Row 2: Slip1 purlwise, p to end of row.

Repeat these 2 rows until desired length (I used about 1 ball and a half). Then purl 5 more rows. Bind off all stitches using a purl method. Weave all ends behind works and trim off excess.

Block finished scarf by wetting it with cold water in a sink, squeeze water off gently and lay it flat on a towel. Roll the towel and the scarf together to get the excess water out. Unroll and straighten out the scarf on a dry towel and gently smooth its surface with your hand. Use pins to pin corners and other areas to secure the scarf in place, if preferred.

Enjoy!
